

ILLAWARRA CHRISTIAN EDUCATION

STRATEGIC PLANNING SUMMARY

MISSION: In Christ's service, to partner with parents in providing a quality Christian education founded on the Word of God.

VISION: To increase the quality and accessibility of Christian education to families in the Illawarra.

THE FIVE FOUNDATIONS

Christian Ethos

Biblical truth is central to our school communities, shaping our character to demonstrate the love of our Lord Jesus.

Parent Partnership

Christian parents are active participants in the life of the community and, through their elected board, govern our operations.

Education

Students will be equipped with the knowledge, skill, behaviours and educational opportunities that will enable them to serve and glorify God in the world and be lifelong learners.

Infrastructure

Facilities and infrastructure will be fit-for-purpose, well maintained and responsive to future educational needs.

Business

Business operations will effectively promote our school, enhance "stakeholder experience", and ensure financial viability sufficient to improve the programs and facilities, while keeping fees affordable.
